

When you say I do again, in your seventh decade.

Remarriage after 60 is not the naive romance of your twenties, nor is it a settled routine. You bring forty years of memories, adult children with strong opinions, financial estates, grief from lost spouses, and established habits into one sacred space.

Remarried at 60 is the compassionate, tactical blueprint for building a joyful, resilient second chapter. Sanjay Shharma provides clear frameworks for blending grown families, navigating delicate estate discussions, and cultivating profound late-life intimacy.

INSIDE THIS MATURE MARRIAGE BLUEPRINT:

- The 4-Phase Mature Blend Framework: Boundaries with adult children & in-laws.
- The Ghost at the Table: Honoring past spouses while protecting your new intimacy.
- Financial & Estate Conversations without mistrust, guilt, or family friction.
- Physical Intimacy & Vulnerability in the 60s, 70s, and beyond.
