

THE CARE COLLECTION • BOOK 9

When you're holding everyone together, who holds you?

Caught between aging parents who need daily care, adolescent or college-age children finding their way, and a marriage that has been put on indefinite hold, the sandwich generation carries an invisible, staggering emotional weight.

The Last Sandwich is the practical, compassionate guide for the spouse who has become the family's ultimate shock absorber. Learn how to navigate eldercare bureaucracy, sibling tension, financial strain, and marital exhaustion without losing your sanity, your identity, or your health in the process.

INSIDE THIS COMPASSIONATE SURVIVAL BLUEPRINT:

- **The Sibling Equation:** How to handle unequal care burdens without toxic resentment.
- **Protecting Your Marriage:** Keeping intimacy and partnership alive amidst chronic care.
- **The Financial & Legal Reckoning:** Managing healthcare, estates, and long-term care costs.
- **Preserving Yourself:** Guilt-free boundary frameworks for the family's last line of care.
