

THE CARE COLLECTION • BOOK 3

When marriage has gone quiet, the marriage hasn't ended.

Across the modern world, millions of couples live in 'fine' marriages—eating dinner together, managing households, raising children, and paying the bills—yet haven't shared a truly vulnerable conversation in years.

When daily talk shrinks to logistics, schedules, and polite silence, emotional drift creates a quiet cold war. The marriage didn't shatter; it simply went into hibernation. Still Married, Just Silent provides the exact, gentle protocol to relight the hearth without triggering defensiveness or explosive arguments.

INSIDE THIS ACTIONABLE BLUEPRINT:

- 14 Step-by-Step Conversations to reopen dialogue without defensive panic.
- The Turtle Shell De-escalation Protocol for partners who withdraw into silence.
- Weekly Connection Rituals that rebuild genuine presence, touch, and shared laughter.
- The 30-Day Quiet Marriage Reset: A structured day-by-day roadmap with worksheets.
