When a terminal diagnosis arrives, how you walk together becomes everything.

When the person you love receives a diagnosis that cannot be undone, the world contracts into treatment schedules, doctor consultations, and an overwhelming, quiet dread. Yet in the middle of medical appointments and physical decline, you are still husband and wife.

The Long Goodbye is a tender, uncompromising guide for spouses walking the final sacred chapters of a marriage. It offers practical systems for managing anticipatory grief, preserving intimacy amidst clinical care, navigating family overwhelm, and finding the grounded strength to love your partner completely—all the way to the end.

INSIDE THIS COMPASSIONATE BLUEPRINT:

- **Anticipatory Grief:** Understanding the invisible mourning that begins long before the final breath.
- **Caregiver Partnership:** How to stay lovers and life companions when medicine dominates the room.
