

THE CARE COLLECTION • BOOK 4

When the children leave and the house grows quiet, your greatest romance is ready to begin.

After decades of parenting and career demands, midlife couples often find themselves sharing a home with someone who feels more like a dependable roommate than an ardent partner.

The Second Honeymoon is a tender, deeply practical guide for couples 50+ to reclaim romance, emotional safety, and touch. Free from the rush of youth, this season can become the richest chapter of your marriage.

INSIDE THIS PRACTICAL 50+ INTIMACY GUIDE:

- The Bedroom Reset: Overcoming awkwardness and rekindling warmth.
- Rewiring Touch: Gentle scripts and non-demand rituals for couples.
- Midlife Changes: Honest talk on aging, vulnerability, and comfort.
- The Weekend Escape: Planning private retreats that bring joy.
